

# ACDelco Engine Oil

## Mineral

General Description		
10W-30	15W-40	20W-50
Specially formulated to meet the demands of late generation petrol engines. Formulated to increase service intervals, it will also aid in the reduction of fuel consumption whilst providing optimal protection against engine wear.	A high performance engine lubricant, designed to meet the requirements of a wide range of naturally aspirated and turbo charged petrol and light duty Diesel engines.	All season multi-grade heavy duty engine lubricant for naturally aspirated and turbo charged petrol, LPG and Diesel engines, designed to offer maximum protection against wear, corrosion and oxidation.

Advantages		
10W-30	15W-40	20W-50
<p>Protection against sludge and deposits.</p> <p>Resists viscosity and thermal breakdown.</p> <p>Maintains viscosity grade.</p> <p>Very high resistance against oxidation.</p> <p>Recommended for Petrol, LPG and E10 fuelled engines.</p> <p>Low loss by evaporation.</p> <p>Suitable for use where a GF-5 is specified.</p>	<p>Very high resistance against oxidation.</p> <p>High detergent and dispersing properties.</p> <p>Very large application field.</p> <p>Low loss by evaporation.</p> <p>High performance in high and low temperature conditions.</p> <p>Excellent protection against wear.</p> <p>Recommended for Petrol, light Diesel, LPG and E10 fuelled engines.</p>	<p>Very high resistance against oxidation.</p> <p>High detergent and dispersant properties.</p> <p>Low loss by evaporation.</p> <p>High performance in high and low temperature conditions.</p> <p>Excellent protection against wear.</p> <p>Recommended for Petrol, light Diesel, LPG and E10 fuelled engines.</p> <p>Very large application field.</p>

### Performance Ratings

10W-30	15W-40	20W-50
Petrol powered engines that specify the use of a SAE 10W-30.	Mercedes-Benz MB229.1 This all seasons oil is especially recommended for mixed fleets (passenger cars and light commercial vehicles). It can be used in most services, in Diesel engines with natural aspiration or with turbo discharge and in most petrol engines.	Up-to-date 4-stroke Petrol engines (multi-valves, turbo, etc.). 4-stroke Diesel engines of passenger cars, with or without turbo.

# ACDelco Engine Oil

## Heavy Duty Diesel & Low SAPS Heavy Duty Diesel

General Description
<b>HD Diesel 15W-40</b>
An all Fleet high performance engine oil for diesel engines with and without turbo charging in trucks, buses, construction, industrial machinery, pick-ups and vans. Select Fleet HD Diesel 15W40 is a breakthrough in diesel engine oil technology. Suitable for European, American and Japanese diesel engines operating under the most arduous conditions in both on and off highway applications.

General Description
<b>Low SAPS HD Diesel 15W-40</b>
An Ultra High Performance Premium engine oil for Commercial vehicle diesel engines. Developed for extended service intervals, it is particularly advantageous in vehicles fitted with exhaust gas treatment systems such as Diesel Particulate Filters (DPF), Diesel Oxidation Catalyst (DOC), high rate of Exhaust Gas Recirculation (EGR), two-stage turbo charging and SCR-Catalyst (Selective Catalytic Reduction) or any combination of the given technologies.

Advantages
<b>HD Diesel 15W-40</b>
<ul style="list-style-type: none"> <li>Rationalisation of grades.</li> <li>Stay-in-grade quality, even under the most severe conditions.</li> <li>Prevents excessive viscosity increase due to high temperature oil oxidation,</li> <li>Proven bore polish protection.</li> <li>Longer drain intervals, less downtime.</li> <li>Better maintenance of lubricating oil film for reduced wear and increased engine durability.</li> <li>Superior soot handling capabilities when compared to CH-4 lubricants.</li> </ul>

Advantages
<b>Low SAPS HD Diesel 15W-40</b>
<ul style="list-style-type: none"> <li>Protecting exhaust gas treatment systems with very low sulphated ash levels and low content levels of phosphorus and sulphur (SAPS).</li> <li>Excellent wear protection, even under constant full load due to the new additive and base oil technology.</li> <li>Highest neutralization potential (TBN) in its class. Durable protection against aggressive acids and corrosion during the whole oil drain interval.</li> </ul>

# ACDelco Engine Oil

## Long Life Synthetic

General Description			
dexos1™ 5W-30	dexos2™ 5W-30	Premium Euro 5W-30	Premium HP 5W-40
<p>dexos1™ is an innovation in engine oil. It was developed by GM for late model GM vehicles with petrol engines. It is also suitable for use in a wide variety of other makes and models. Additionally dexos1™ 5W-30 is a high performing engine oil, which keeps turbochargers and intercoolers clean. All these properties in combination with the viscosity class SAE 5W-30 lead to significantly lower fuel consumption.</p>	<p>dexos2™ is an innovation in engine oil. It was developed by GM for late model GM vehicles with petrol or diesel engines, but is suitable or use in a wide variety of other makes and models. It is a low SAPS engine oil suitable for use in diesel powered vehicles with exhaust particulate filters / EGR systems and provides exceptional cleaning power, engine wear protection and improved fuel consumption.</p>	<p>Premium Euro Long Life Synthetic 5W-30 is a Premium engine oil for use in passenger cars and vans over the full temperature range from very low up to very high temperatures. It fulfils all requirements of engine oils for vehicles fitted with exhaust gas after treatment devices. It is suitable for use in vehicles where the VW 504.00/507.00 is called for. Also the product can be applied in many vehicles of European or Asian manufacturers if the use of a C3 engine oil is specified.</p>	<p>A premium engine oil for passenger cars, SUV's and Light Commercial vehicles. Latest technology allows for maximum performance from very low to very high temperatures. This product is also formulated to be used in vehicles with exhaust gas after treatment systems such as catalysts or particulate filters.</p>

Advantages			
dexos1™ 5W-30	dexos2™ 5W-30	Premium Euro 5W-30	Premium HP 5W-40
<p>Excellent wear protection even under high permanent load with maximum power output.</p> <p>Suitable for petrol engines.</p> <p>Low oil consumption due to minimum evaporative loss.</p> <p>Resists oxidation and thermal breakdown even in severe service.</p> <p>Protection against sludge and deposits.</p> <p>Maintains viscosity grade.</p>	<p>Protects exhaust gas after treatment systems due to low content of sulphated ash, phosphorus and sulphur.</p> <p>Excellent wear protection even under permanent load with maximum power output.</p> <p>Suitable for diesel and petrol engines.</p> <p>Inhibits deposits in engines and turbochargers, thus ensuring excellent operational reliability and reduced maintenance costs.</p> <p>Low oil consumption due to minimum evaporative loss.</p>	<p>Due to base oil blend, even further improved fuel economy of up to 1.7% compared to many engine oils of the same SAE-viscosity</p> <p>Protects exhaust gas after treatment systems.</p> <p>Excellent wear protection with maximum power output.</p> <p>Protection against sludge and deposits in engines &amp; turbochargers.</p> <p>Suitable for diesel and petrol engines.</p>	<p>Designed to fulfil the viscosity requirements of Series 1 Holden Captiva and Cruze Diesel, and Epica Diesel.</p> <p>Protects exhaust gas after treatment systems.</p> <p>Excellent wear protection with maximum power output.</p> <p>Protection against sludge and deposits in engines &amp; turbochargers.</p> <p>Suitable for diesel and petrol engines.</p>

## Select Plus Semi Synthetic

General Description	
Select Plus 10W-30	Select Plus 10W-40
Synthetically enhanced engine oil for everyday & high performance engines in passenger vehicles. Suitable for vehicles using LPG, leaded and unleaded fuel. Meets the latest API specs and provides excellent fuel consumption results.	Synthetically enhanced engine oil for everyday & high performance engines, in passenger and light commercial vehicles. Suitable for vehicles using LPG, leaded and unleaded fuel, and many diesel engines. Meets the latest API specs and provides excellent fuel consumption results.

Advantages	
Select Plus 10W-30	Select Plus 10W-40
<p>A stay-in-grade lubricant, which maintains its wear protection and fuel economy characteristics even in the most severe conditions.</p> <p>Superior performance when compared to API SM, SL and SJ lubricants, particularly in the areas of oil consumption, fuel economy, high temperature-deposit control and oxidation.</p> <p>Lowers fuel consumption due to its special additives. Because Select Plus 10W30 is never too thin or too thick, regardless of the operating conditions, fuel consumption can be reduced by up to 5.5% when compared to conventional SAE 15W-40 oils.</p> <p>Low oil consumption due to minimum evaporative loss.</p> <p>Resists oxidation and thermal breakdown even in severe service.</p> <p>Protection against sludge and deposits.</p>	<p>A stay-in-grade lubricant, which maintains its wear protection and fuel economy characteristics even in the most severe conditions.</p> <p>Superior performance when compared to API SM, SL and SJ lubricants, particularly in the areas of oil consumption, fuel economy, high temperature-deposit control and oxidation</p> <p>Low oil consumption due to minimum evaporative loss.</p> <p>Resists oxidation and thermal breakdown even in severe service.</p> <p>Protection against sludge and deposits.</p>

Performance Ratings	
Select Plus 10W-30	Select Plus 10W-40
Rationalisation of grades – in many cases can be used if the following SAE grades are specified: SAE 5W-40, SAE 10W-40, SAE 15W-40, SAE20W-40. No loss of performance as a result of unwanted deposits in cylinders, on pistons, valves, spark plugs and in turbochargers. Compatible with all gaskets and seals. Miscible with all mineral oil and synthetic oil. Therefore no flushing is required.
